

European Regional Meeting on Development of value based statement

Bratislava

30 – 31 October 2017

The aim of this **participatory networking event** is to **join the core team** contributing to the creation of the value foundation (Manifesto) of the emerging platform European Network for Nonviolence and Dialogue (ENND). At PDCS we are now in the process of initiating this new network (ENND) of civic actors interested in peaceful interventions in current value based conflicts in our region. We believe in much stronger voice of joined forces of like minded individuals and organizations who share European values and nonviolent approach.
